## INTRODUCTION

---

The National Collegiate Athletic Association (“NCAA” and/or “Association”) invites all qualified member institutions/conferences and sports commissions/foundations to submit a proposal to host one or more of the NCAA championships set forth below in the “Championships Available for Bids” in Section III. The information in this Championships Bid Specifications document is being provided to ensure all prospective hosts for NCAA championships are aware of the established policies and procedures and recommendations to enable them to conduct a successful NCAA championship. It is understood that some of the recommendations may not be appropriate for all championships but are being provided for consideration by potential hosts.

These specifications and the accompanying attachments provide the minimum bid specifications for hosting any of these championships, as well as essential information that will provide assistance in the development of a creative, comprehensive and competitive bid proposal. The NCAA awards the privilege of hosting an NCAA championship to institutions years in advance so those communities may work collaboratively with the NCAA to create positive experiences for its student-athletes, participating institutions, fans and the community.

A member institution or member conference of the NCAA must be designated as the host institution/conference for each championship. The administration of each championship is under the authority of the respective sports committee subject to final authority of the appropriate divisional NCAA Championships Cabinet or Committee. All activities and events associated with the championship are to be approved by the sports committee.

**NCAA CHAMPIONSHIP POLICY RELATED TO ANTI-DISCRIMINATION:** On Wednesday, April 27, 2016, the Board of Governors of the National Collegiate Athletic Association (NCAA) approved the following impact statement.

As an integral component of the higher education mission of our members, our Association strives to enhance the sense of community and strengthen the identity of a diverse membership. There are many challenges in today’s intercollegiate athletics environment. And we are faced continuously with evolving social dynamics that require us to adjust in an appropriate and effective manner. This Impact Statement calls on the membership, the national office staff and communities to ensure that NCAA events are conducted in a manner consistent with the Association’s core values.

Accordingly, today we, the NCAA Board of Governors, reaffirm that it is the policy of the NCAA to conduct events that protect the student-athlete well-being and safeguard the experience of our students, fans and campus communities alike. To that end, we expect that in awarding contracts to host events, the selection process will include as one of many criteria that each bidder must provide a statement certifying its ability to deliver and maintain an environment that is safe, healthy and free of discrimination and respects the dignity of all persons. Furthermore, we are directing the NCAA staff to inquire of all sites, which includes presently awarded predetermined sites and/or non-predetermined sites, as to how they intend on assuring its ability to deliver and maintain an environment that is safe, healthy and free of discrimination and respects the dignity of all persons.

We must and we shall operate our championships and events in alignment with our values as we strive to promote an inclusive atmosphere in which student-athletes participate, coaches and administrators lead and fans engage.

Note: All prospective hosts must upload the completed anti-discrimination questionnaire to the NCAA Championships Host Reporting System. If prospective hosts have previously uploaded the form and have no changes, no further action is required. If hosts have not uploaded the form or have changes, they must upload a new completed form to their host profile.

**NCAA CHAMPIONSHIP POLICY RELATED TO SPORTSMANSHIP:** For intercollegiate athletics to promote the character development of participants, enhance the integrity of higher education and promote civility in society, student-athletes, coaches, and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation, but also in the broad spectrum of activities affecting the athletics program.

**NCAA CHAMPIONSHIP POLICY RELATED TO THE USE OF CONFEDERATE FLAGS:** No predetermined session of an NCAA championship may be conducted in a state where the confederate flag is flown. This policy currently excludes the state of Mississippi.

**NCAA CHAMPIONSHIP POLICY RELATED TO AUDITING OF CHAMPIONSHIP SITES:** NCAA championship sites may be randomly selected for financial and box office audits following the championship. Audited sites will be notified after the financial reports have been submitted. Competition venue and honorarium settlements are subject to change until the audits are reviewed and accepted by the NCAA. If selected for audit, the following documentation will be requested: ticket reports; invoices, contracts or timesheets supporting all expenses; general ledger; bank statements; and the competition venue rental agreement. The documentation should support all information on the host financial report.

Additionally, the NCAA expects all hosts to have policies in place for crowd control, fan conduct, safety of all participants, and other appropriate guidelines that support the NCAA's position on sportsmanship and its commitment to operating the finest athletics events in the world. **Each host will be required to submit a safety and security plan upon the awarding of an NCAA championship.**

## BID PROCESS

---

Following is a schedule of activities/meetings which comprise the bid process. As needed, adjustments in schedule and logistics may be made, at the discretion of the NCAA.

A member institution or member conference of the NCAA must be designated as the host institution/conference for all NCAA championships. The administration of the championships is under the authority of the respective NCAA sport committee, subject to final authority of the respective Championships Oversight Committee, Division II Championships Committee or the Division III Championships Committee.

To submit a bid, please visit <http://championships.ncaa.org>.

Upon the announcement of sites, championship events will be awarded to hosts contingent upon the successful negotiation of contracts and submission of the below documents.

- A. Host contract (includes cover agreement, bid response, confirmation documents from supporting athletics director and/or venue manager, if applicable, negotiated terms and budget).
- B. Key contact information.
- C. Marketing plan (at TBD date).
- D. Emergency management plan (at TBD date).
- E. Hotel agreements (as completed by Anthony Travel if applicable).

## HOST DETERMINED

---

The deadline for submitting a proposal to host a championship(s) is **11:59 p.m.** Eastern time February 3, 2020. The appropriate NCAA sport committee will review all proposals and will forward its recommendations to the NCAA Division I Competition Oversight Committee, Division II Championships Committee or the Division III Championships Committee, respectively, for review. NCAA sports committee decisions are not considered final until they are approved by the respective NCAA Committees.

There will be an official announcement of championship hosts issued by the NCAA. Following the official announcement, each prospective host will receive a letter via email regarding the status of their bid.

Bids are awarded in principal pending the successful negotiation/resolution of any exceptions declared in bid documents as well as the negotiation and contracting of sufficient hotel and ancillary space as defined in the bid specifications.

Hotel properties will be contracted directly by the NCAA in most instances, as defined by the sport specific bid specifications, and host will be expected to execute the agreement document, which is outlined in the appendix.

Selected hosts and sites will also be required to submit a key contacts form, certificate of insurance, marketing plan and emergency management plan at specified times prior to the execution of the championship and pursuant to the agreement.

## ANNOUNCEMENT OF HOST

---

The NCAA, in conjunction with the selected host, will develop a communication plan for the announcement of the bid award. There will be an official announcement of championship hosts issued by the NCAA. By bidding on the championship, each prospective host agrees that it shall coordinate in advance with the NCAA regarding media and all other public discussions, including but not limited to press releases and any public comments or announcements.

Prospective hosts shall not announce to the media whether they have been awarded the bid without first consulting the NCAA. Prospective hosts not receiving bids will be notified after the official selection announcement via email. Cities that are awarded a future championship shall not conduct a press conference, issue a press release or make any public comments or announcement until after the official announcement.

## CHAMPIONSHIP HOST PERSONNEL

---

1. **LOC.** Based on the scope of the championship, it may be necessary to appoint a local organizing committee (LOC) to act as the local entity responsible for fulfilling the LOC obligations and to provide the NCAA certain services and assistance in connection with the various activities related to each championship. The host institution/conference must be a part of the leadership of the LOC.
2. **LOC Chair/Tournament Director.** If an LOC is formed, the host shall appoint an individual to assume the position of chair of the LOC. If an LOC is not formed, the host shall appoint an individual to assume the position of Tournament Director. This individual generally is the director of athletics of the host institution or the commissioner of the host conference. For championships that require an LOC, the LOC chair may also be the executive director of the sports commission. The LOC chair/Tournament Director shall maintain ultimate responsibility for the local operation of the event. The Facility/Site Questionnaire and Facility Specifications Agreement from prospective hosts shall be authorized by the LOC Chair/Tournament Director.
3. **Personnel.** All championships should appoint the following individuals:
  - a. **Tournament Manager.** A knowledgeable person with significant experience in tournament administration and game management. The function of the tournament manager is to ensure the policies of the sport committee and NCAA are implemented and followed in the administration of the tournament. Specific responsibilities may include: direction and supervision of competition venue arrangements, development of participant information, security, lodging, transportation, marketing, financial administration, securing a diverse staff and adherence to policies outlined in the NCAA tournament manual.

The tournament manager also will provide the NCAA a post-championships report, which should include the following:

## LODGING SPECIFICATIONS

---

The NCAA has partnered with Anthony Travel, Inc. to manage the NCAA Championship Housing Program and all championship housing needs. Anthony Travel serves as the housing partner for hundreds of events annually and, through strong relationships with various hotel brands, is able to deliver the appropriate mix of amenities, location and price for hundreds of thousands of room nights each year. Utilizing their expertise, Anthony Travel will be responsible for managing the selection and contracting process for all championship housing accommodations.

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

### Host Institution/Conference/Sponsoring Agency Obligations

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sports specific bid specifications. Properties must meet the required service levels and be in reasonable proximity to the event venues. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties Anthony Travel should consider when contracting. Properties considered by Anthony Travel and the NCAA must meet the required service levels, room type needs, amenities, and proximity to venues required by the specific championship. Bid responses should disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

### The Contracting Process

During the bid evaluation process, the host institution/conference or sponsoring agency may be contacted by Anthony Travel to obtain additional information on their housing recommendations. Once the bid is awarded, Anthony Travel will manage a request for proposal (RFP) process to evaluate, secure and contract all hotels for the necessary room blocks and sports specific housing needs. Housing recommendations provided in the bid specifications will be taken into consideration; however, there is no guarantee that these properties will be contracted. Prior to being finalized, housing recommendations will be presented to the NCAA to obtain feedback/input. All hotel contracts will be drafted using a standard contract template and signed by the NCAA. Information related to the room blocks and housing will be communicated on a timely basis to the host institution/conference or sponsoring agency and the participating teams.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying with all requirements in the contract terms as presented in the sample contract.

## TICKET POLICIES/OPERATIONS

The NCAA will coordinate the printing of the tickets unless the NCAA directs the LOC/host or competition venue to coordinate the printing. The LOC/host shall incur all expenses associated with ticket printing.

The NCAA is a 501c (3) tax exempt organization and the bid respondents shall specify any state or local tax exemption that will be granted to the NCAA. If a tax exemption is not applicable, then all applicable taxes and rates shall be disclosed (disclose in the sport-specific facility questionnaire) and any increases in the tax rates from the time the bid submission shall be absorbed by the bid respondent or rebated back to the NCAA if bid respondent is approved for a NCAA championship.
3. **Control of Ticket Sales.** The NCAA shall control all ticket sales for the championship, assigning specific duties to the LOC/host and competition venue as needed. Admittance to the competition venue on game days will be by ticket or NCAA-issued credential only. Every individual, regardless of age, must have a game ticket for admission, unless specified by the NCAA or venue policy. 5. **Suites.**
  - a. At the time of the bid, the competition venue shall stipulate a quantity of private viewing suites available for the sole use of the NCAA or its designees. Preferred consideration will be given to those sites offering suites for NCAA use. All revenue from such suites will belong to the NCAA.
  - b. The NCAA will provide tickets, as necessary to the LOC/host and/or competition venue for those suite holders displaced to fulfill the NCAA suite seat requirements.

- c. Subject to NCAA approval, suites not made available to the NCAA or its designees shall remain under the control of the competition venue, but the face value ticket revenue for such suite seats will belong to the NCAA.
- d. Suite holders will have the opportunity to purchase tickets for the suite to which they have purchased tenant rights. The venue's box office staff if assigned by the NCAA, shall solicit and confirm suite purchases by suite holders. At that time, suites not purchased by suite holders will be made available to the NCAA for additional use/sales opportunities in accordance with the agreed upon financial parameters.

## 6. LOC/Host Ticket Policies.

12. **Ticket Sales Commission Plan.** The LOC/host may develop a ticket sales commission plan in order to assist in the sale of tickets. All commission plans must be approved by the NCAA prior to entering into any agreement with any outside group.

In order to be considered for this opportunity, a brief proposal including a commission plan, a list of group(s) that plan to participate and ticket distribution method(s) must be submitted to the NCAA for approval.
13. **Use of NCAA Marks.** The NCAA must approve any use of the NCAA's name, logos or marks. No commercial entity's logo can be used in conjunction with the NCAA's name or marks, unless approved in advance by the NCAA.
14. **Championship Website.** The NCAA will maintain a website at [ncaa.com](http://ncaa.com) that will serve as the official site for the championship. The LOC/host shall provide this link as the sole source for Championship information. Any other websites that support the event (i.e., volunteer registration, fan housing, etc.) should have a direct link from the official site and all traffic should be pushed through the official site to these links. The LOC/host will be required to provide site-specific information that will be included on this site and the social media liaison will be responsible for providing timely information. The official NCAA championship site must be the only URL associated with the championship in promotional materials.

NCAA championships marketing staff will provide feedback and approval for the final marketing plan and budget on a collaborative basis. Any adjustments to the marketing budget after the final plan and budget have been approved must be submitted to the NCAA for review and approval.

## FINANCIAL INFORMATION

---

In an effort to provide more consistency and efficient partnership with host communities, institutions and conferences, and in recognition of the economic impact NCAA championships bring to local communities, the NCAA is instituting the following financial structure for the selected NCAA championships covered by these bid specifications. The following financial arrangements shall apply:

- The NCAA shall receive a minimum guarantee for selected championships. Please review the sport-specific bid specifications to verify if any championships require a minimum guarantee. This will also be noted when completing the budget.
- The LOC/host may receive an approved allocation for carrying out championship game responsibilities.
- The NCAA may receive reimbursement of various championship expenses identified in the championships budget.
- Revenue sharing opportunities between the NCAA and the LOC/host for any receipts in excess of the accepted budget.

As part of its bid, the LOC/host is encouraged to provide a detailed plan reflecting proposed modifications to the minimum basic financial structure outlined below that represents an additional commitment by the LOC/host. Examples may include forgoing, for the benefit of the NCAA, any portion of revenue or expense allocation reserved to the LOC/host and/or offer additional forms of value to the NCAA.

The LOC/host shall submit, as part of its Bid, a detailed budget for the championship event. This shall include all revenue sources and expenditure uses, including the amount retained by the LOC/host or the sponsoring agency. Any modifications to the approved budget must have prior approval from the NCAA staff.

The following are minimum financial parameters for completing the proposed budget for the specified championship:

1. **Championship Receipts.** Includes all revenue from sale of tickets, including ticket revenue from suites (less admissions taxes, discount fees, and commission expenses, if any), handling fees and other income derived from the operation of the championship, except as hereinafter specifically excluded.
  - a. Tickets (includes sales made by the Host institution. All sales made directly through the NCAA shall not be added to this section);
  - b. Other Revenue (includes sponsorship revenue, food/beverage, parking and other event-related revenues)
2. **Championship Expenditures.** Each sponsoring agency shall submit a championship budget that includes the following:
  - a. Promotion (promotions, advertising, printing and grassroots opportunities);
  - b. Ticket Expense (charge card expenses, commissions, state and city taxes, ticket vendor fee, host box office fee); As part of the tax related expense associated with the championship, the host shall be required to remit all state and local taxes to the appropriate agencies. Hosts shall remit the taxes on the sale of all tickets from the championship, and not just those sold through their box office (Host channel). Also note, that as part of the bid process, it is the responsibility of the host to accurately report all state and local tax rates to the NCAA, so that the proper remittance is completed. The NCAA may, at its discretion, require a host to provide a letter of tax attestation from an independent CPA firm, verifying the state and local tax requirements of the championship. This shall be done at the cost of the host, and is not reimbursable by the NCAA.

- c. Equipment (telephone installation, copy machines, game equipment);
- d. Facility Rental, Supplies and Personnel. As a result of the positive impact NCAA championships have on the local community, the NCAA views reduced or rent-free use of NCAA championship venues as a favorable term and condition for a bid submission. The venue rental(s) shall include all personnel and services for the practice, competition and ancillary event venue(s) deemed necessary by the NCAA, including but not limited to ushers, ticket sellers, ticket takers and other ticket personnel, game production staff, exit personnel, security personnel, fire personnel, a first-aid room staffed by paramedics or other certified emergency personnel, maintenance, construction, and clean-up of the venue, venue grounds, etc. All personnel shall be under the sole direction and control of the venue and are not to be considered employees or agents of the NCAA.
- e. Games management personnel (public address announcer, timers and scoreboard operators, statisticians, official scorer, medical personnel);
- f. Entertainment (media hospitality, meetings, luncheons and banquets, participants' refreshments); and
- g. Other Championship Expenditures. The following additional championship related expenses shall be included in the budget: officiating, committee and lodging expenses, where applicable, and host honorarium. The member host institution/conference of the NCAA may, in the sole discretion of the NCAA, earn an honorarium predetermined for the length and type of championship. Net receipts shall be defined as gross ticket sales less taxes, competition venue rental, personnel services and other championship related game expenses.

Hosting conferences/institutions/LOCs shall make every effort to categorize all expenses in letters A through F above, in order to provide the most accurate financial reporting for the event. The "Other Championships Expenditures" category shall only be used out of absolute necessity, if applicable.

#### **Additional Financial Requirements.**

The following additional financial requirements shall also apply to the bid response:

1. In addition to the specific requirements cited above, any LOC that participates in a bid of an NCAA championship shall provide one year of the LOC's most recent audited financial statements for review by the NCAA. [Note: This requirement is only for LOCs and is not requested of NCAA institutions and/or conferences.]
2. Submit all actual financial information via the approved NCAA Championships Host Reporting System no later than 60 days after the last date of the competition.
3. Adhere to the established and agreed-upon budget for the operation and execution of the event, and as such, any changes to the budget must be approved by the NCAA.
4. Provide detailed consistency in budget to actual reporting in the NCAA Championships Host Reporting System, so as to provide the most accurate detail of revenues and expenses for the event(s). Note that all efforts should be made, both in budget and actual formats to use the category described as "other" only sparingly, and to make all attempts to fit the revenues and expenses within the defined categories provided above.

## COMMUNITY ENGAGEMENT/LEGACY PROGRAMS

---

The NCAA is committed to offering sustainability initiative, community engagement opportunities and legacy programs within the framework of NCAA championships. The information below outlines some of the programs and initiatives currently in place around championships.

### **NCAA Youth Tournaments**

The NCAA, at its sole discretion, may organize a youth tournament in conjunction with select NCAA championships. A separate budget and operating model will exist but a host may be asked to recommend venues and other assets in support of the event. The championship will also make available tickets to the youth tournament at an agreed upon rate and quantity to support the event.

Hosts may not organize youth tournaments without the advance approval of the NCAA.

### **Division II: Make-A-Wish**

Continuing its longstanding commitment to philanthropy, in 2003, NCAA Division II established a national alliance with Make-A-Wish®, a global charity that grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

In the spirit of service, NCAA Division II student-athletes, coaches, administrators, parents, fans and communities across the country are working hard to make a difference in the lives of Make-A-Wish families through their fundraising efforts. Since 2003, NCAA Division II has raised more than \$5.8 million to help grant more than 705 wishes in support of the Make-A-Wish Foundation. In addition, Division II has partnered with Team IMPACT to connect teams with children facing serious and chronic illnesses. Since 2015, the division has formed over 400 matches with Team IMPACT children. All are working toward the same cause – to grant the most heartfelt wish of every eligible child in the United States.

Hosts are encouraged to develop programs and relationships with their local Make-A-Wish chapters in conjunction with hosting an NCAA championship. While no specific information is needed with your bid, upon the award of a Division II championship hosts will be encouraged to aid in the development of a program onsite during the championship event.

### **Division III: Special Olympics**

The NCAA Division III Student-Athlete Advisory Committee (SAAC) initiated a partnership with Special Olympics in August 2011. The purpose of the partnership is threefold: 1) to improve the lives of Special Olympic athletes through their involvement with Division III student-athletes and to foster a mutual learning experience between Division III student-athletes and Special Olympic athletes; 2) to provide a platform for recognition of Special Olympic athletes, and 3) to raise awareness about Special Olympics and the programs and services it provides.

In addition, the partnership serves as an opportunity to demonstrate citizenship and comprehensive learning attributes of Division III student-athletes. Student-athletes giving back to their local communities not only adds to the comprehensive learning component of Division III, but also provides a venue for passion and service.

As part of this partnership, many of the NCAA Division III championships since August 2011 have included activities involving local Special Olympic athletes. If your institution/host agency intends to include activities that include Special Olympic athletes as part of the hosting an NCAA championship, please provide a summary of these plans.
